

RETIREE LUNCHEON POSTPONED

Due to the Coronavirus pandemic (COVID19), it is with deep sadness that SEIU, Local 722 will be postponing the Retiree Luncheon that was scheduled to be held on May 9, 2020. This is being done in association with the District of Columbia's mandate to limit the amount of participants at social functions and guidance from experts such as the Center for Disease Control (CDC). More importantly it is being done to protect you, our beloved retirees. Unfortunately, it appears that this virus has a more severe effect on senior people.

DANIEL FIELDS, JR
President

DEBRA DAVIS
Vice President

ORNE' BANKS
Treasurer / Business Manager

MARCHEL SMILEY
President Emeritus

As you know, one of my most pleasurable moments of my presidency is the Retiree Luncheon. It is always a joy to see you all, reminisce with you, take pictures with you, and honor some of you as the original members of SEIU, Local 722.

SERVICE EMPLOYEES
INTERNATIONAL UNION
AFL-CIO, CLC

Should the climate change on this virus and we are able to reschedule the Retiree Luncheon, we will try our best. But, at this time your well being and safety is our priority. Should anything change we will contact you.

Hospital Professional
Technical and Service
Workers

Please be safe and abide by the advice that is being disseminated by your governmental agencies and your doctors. We truly hope to see you this year.
