

Tentative Contract

MedStar Washington Hospital Center

Being Proofread

On or about September 14, 2021, we received a rough draft of the newly negotiated contract from the MedStar Washington Hospital Center. We are now in the process of proofreading what they have sent us. This is a tedious and time consuming process. In the past we have found errors of omissions and additions.

After we proofread the contract and find it to be satisfactory we will submit it to the printer. After the printer makes a draft print we will have to proofread it again to make sure the printer did not make any errors.

Due to this lengthy process, we believe it is a good idea to put the rough draft of the contract on the website, **SEIU722.org** for your viewing. The red highlighted language are the proposed changes to the contract.

Any questions or concerns that you may have about the contract, please feel free to call the Union Office at (202) 483-6221.
